

David Meyerovitz

Management Consultant and Trainer with over 20 years' experience consulting to corporate as well as smaller to mid-size clients.

David Meyerovitz co-founded Select Strategy, Inc. in 2001 and has been instrumental in developing the firm's dynamic range of training materials, consulting processes and online technologies. His better-known clients include Bergmeyer, Pfizer, FUJIFILM, ITT, Guardian Healthcare, Walmart (Africa), Raytheon, Ocean Spray and EDO Corporation.

Prior to co-founding Select Strategy Inc, David was a senior case team leader at the Monitor Group. (The Monitor Group was a strategy consulting firm founded by Professor Michael Porter from the Harvard Business School in 1984 and had over 1000 professionals in 25 offices around the world. The firm was acquired by Deloitte in 2013). He was at the firm for six and a half years and was responsible for a large base of clients each with annual revenues in excess of \$1 billion.

David was responsible for leading teams of consultants and managing client relationships, to devise strategic answers to business and organizational problems, implement solutions and train clients to ensure sustainable results. He was based in the U.S.A and South Africa and was also involved in European related initiatives and projects.

David has degrees in business and accounting with sub majors in finance and economics and he is also a qualified Chartered Accountant. David started his career at Grant Thornton International. (Grant Thornton International is a leading accounting and financial advisory firm offering services through member firms in 110 countries, including 49 offices in the United States.) The firm awarded him a merit scholarship for his university studies. During his time at the firm he led audit teams and advised large publicly traded corporate clients as well as small to mid-size entrepreneurial minded businesses.
